## **PNG Balsa statement of commitment to FSC**

**The PNG Balsa Company Ltd is fully committed to the principles of Forest Stewardship Council™ (FSC®) and to gaining certification for Forest Management and Chain of Custody.**

**PNG Balsa declares that it is not directly or indirectly contravening any of the 10 principles of FSC. We adhere to the Standards and Policies laid out by The Forest Stewardship Council™.**

**We conduct our operations in line with the FSC requirements to promote environmentally appropriate, socially beneficial and economically viable balsa plantations.**

**Through inspirational leadership and strong governance, PNG Balsa aims to help fulfil the potential of its people and its processes, to operate our business in a wholly unstainable and caring way, while protecting the environment, our neighbours' heritage, their future and their culture.**
